

CELEBRATING 10 YEARS OF RADIESSE®

Actual patients. Results untouched. Individual results may vary.

IMPORTANT RADIESSE® and RADIESSE® (+) SAFETY INFORMATION

RADIESSE® and RADIESSE® (+) are dermal fillers that are used for smoothing moderate to severe facial wrinkles and folds, such as nasolabial folds (the creases that extend from the corner of your nose to the corner of your mouth). RADIESSE® is also used for correcting volume loss in the back of the hand.

You should not use RADIESSE® or RADIESSE® (+) if you have an allergy to any component of the product, if you have a bleeding disorder, or if you are pregnant or breastfeeding. You should not use RADIESSE® (+) if you have an allergy to lidocaine or medicines like it.

If RADIESSE® or RADIESSE® (+) are injected into a blood vessel, serious complications can result including stroke, vision abnormalities, blindness, temporary scabs and permanent scars.

IT'S OUR 10TH BIRTHDAY...
BUT YOU GET THE GIFTS!
